‘Singing Nowhere’

Paul Heppleston

Saturday 23rd March, 7pm

and a United 4RIVERS CHURCHES service on Sunday 24th at 10am

both at

Abberley Village Hall

Singing is energising and therapeutic, says Paul. Add a spiritual dimension and the fact that 'people tend to sing their faith', including songs that can speak louder than sermons.

All you need is a voice box of whatever age or ability plus a smile. Especially welcome are people who say "I can't sing".

Come and join with ‘**Singing Nowhere**’ on Saturday 23rd and Sunday 24th March
